Pope Francis' August Prayer Intention:  
*The Church — Let us pray for the Church, that She may receive from the Holy Spirit the grace and strength to reform herself in the light of the Gospel.*

From today's Readings

**Ex16:2-4.12-15/ Eph 4:17.20-24/ Jn 6:24-35**

The first reading tells how God fed his people in the desert with manna. This is regarded as the classic example of God's care for his people. Jesus too fed people who were hungry. But the Gospel makes it clear that the Son of Man did not come down from above merely to satisfy physical hunger. He came to give a heavenly bread that people will eat and never become hungry. The manna was but a foreshadowing of the spiritual food which was now being offered by Jesus to his followers. The manna nourished people physically and sustained life temporarily. The new bread will nourish people spiritually and sustain life eternally.

The 'bread' in question is primarily the teaching given by Jesus. Only at a secondary level does it refer to the Eucharist.

**HOSPITAL CHAPLAINS**  
Catholic chaplains visit patients and their families to address any spiritual needs, to pray, to provide a friendly face and comforting presence, to talk about people's fears and concerns, to bring Communion, and to contact a priest for anointing of the sick.

**Stewardship Bulletin Bits August****August 1, 2021****18th Sunday in Ordinary Time**

*"Each day the people are to go out and gather their daily portion; thus will I test them, to see whether they follow my instructions or not." Exodus 16:4*

When the Israelites gathered more than their daily portion of manna, the surplus became wormy and rotten. In the same way today, self-reliance, pride and ego leads to hoarding and excessive surplus of goods and money. Living a stewardship lifestyle helps us discern our "wants" from our "needs". Living a grateful and generous lifestyle reminds us that God will provide all that we need and that we have plenty to share.

**Reconciliation and healing for residential school survivors and their communities– financial appeal announced by Saskatchewan bishops:**

The five Catholic bishops of Saskatchewan on July 13 released more details about a planned fund-raising appeal entitled "Catholic TRC healing response." The Saskatchewan bishops said that the appeal's goal is "to support Residential School survivors and their communities and to engage more deeply in our own ongoing commitment and response to the Truth and Reconciliation process" with funds going to the priorities of healing and reconciliation; cemeteries on the sites of former residential schools; and education and cultural support. "We are collaborating with potential participants, and consulting with Indigenous dialogue partners, including Survivors, Elders, Knowledge Keepers, Chiefs, and other community members. Out of these conversations, each diocese and eparchy will discern and communicate separately how they will proceed with the Appeal in their respective dioceses and communities," said the bishops.
